We offer the Bucks County Council 'stretched offer' which means the 570 hours are spread over 51 weeks of the year we are open. *The sessional price list above does not show costs for government funded sessions. Please refer to our Fee Policy for more information.

Monthly Fees Calculation

The standing order monthly charge is calculated as: -

Weekly Rate x 51 (weeks)

All fees are payable a month in advance, by direct debit (Fee Planner), BACS or childcare vouchers and due by the very latest 1st of the month that the fees relate to.

First months fees are payable by your start date. One month notice is required to cancel a nursery place or any one session. We do not swap sessions.

We are unable to offer refunds if your child is absent due to illness or on holiday.
